SinglePoint Easter Trail 2023

For our second year running, we were delighted to host the SinglePoint Easter Trail event on 4th April 2023 at Langley Primary School. It was a beautiful day of sunshine to host a wide range of fun family activities, including an Easter scavenger trail, craft making and a selection of delicious snacks and refreshments on the day.

Thanks to all the families who joined us to share in the fun!!

Community Resilience Champions

A huge thanks to our wonderful CRC volunteer team who have continued promoting and delivering community mentoring across the local area. The team have been out on 'team walks' to the retail park, speaking with community members so if you see them out and about, please come and say hi!

Our SPP CRC's have also hosted two coffee mornings to welcome the community for a cuppa & cake at our 'Open House' events. These events are open to all and give an opportunity to find out about the project in a relaxed and welcoming environment.

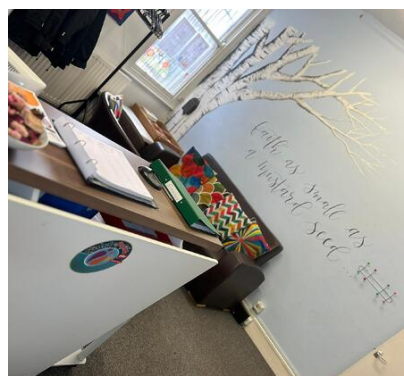

Look out for our next event at Langley Primary school on Thursday 27th April between 2-3pm. All welcome! We hope to see you there!

Wrap Around Childcare

Our SinglePoint Wrap Around provision running at Heart of Oldbury Community Centre in Oldbury has continued to support local families with affordable childcare for those attending St Francis Xavier and Christ Church Primary School.

In recent weeks the children have made the most of the improved weather, enjoying our new outdoor equipment and fabulous outdoor area. As always, Easter was a great opportunity for creative crafts of all kinds and the children will be enjoying some more cooking activities this week using Easter eggs kindly donated by Sainsbury's Oldbury.

Our recent Ofsted Inspection report will follow soon.
